NFCC COMPUTATION (2025)

Summary of the Applicant Firm's / Contractor's assets and liabilities on the basis of the attached income tax return and audited financial statement, stamped "RECEIVED" by the Bureau of Internal Revenue or BIR authorized collecting agent, for the immediately preceding year and a certified copy of Schedule of Fixed Assets particularly the list of construction equipment.

| No. | Description | Year 2024 |
|-----|--|--------------------|
| 1 | Total Assets | Php 269,462,115.81 |
| 2 | Current Assets | Php 233,713,115.81 |
| 3 | Total Liabilities | Php - 0 - |
| 4 | Current Liabilities | Php - 0 - |
| 5 | Total Net Worth (1-3) | Php 269,462,115.81 |
| 6 | Current Net Worth or Net Working Capital (2-4) | Php 233,713,115.81 |

The Net Financial Contracting Capacity (NFCC) based on the above data is computed as follows:

NFCC = K (Current Assets - Current Liabilities) minus value of all outstanding works under on-going contracts including awarded contracts yet to be started:

Current Assets: 15 (233,713,115.81) = 3,505,696,737.15

= 3,505,696,737.15 - 102,570,987.37 (On-going Government Contracts)

(NFCC) Php 3,403,125,749.78

of January, using BIR Form No. 0605.

- Filing of required tax return/s to conform with the above tax types, whether with or without business operation, to avoid penalties.
- For new business registrants, application for registration of manual Books of Accounts (B/As) shall be before the deadline for filing of the initial quarterly income tax return or annual income tax return whichever comes earlier, from the date of registration. Registration of new set of manual B/As shall be before its use.
- Immediately inform the district office in case of transfer/cessation of business and other changes in registration information by filing BIR Form No. 1905.
- For Self-Employed Individuals (SEI) whose gross sales and/or receipts and other non-operating income does not exceed P3,000,000 and who opted to avail of the 8% Income tax rate, the tax type Percentage Tax (PT) shall not be reflected in the Certificate of Registration (COR). However, at the start of each taxable year, such SEI shall be automatically subjected to graduated income tax rates and required to file quarterly percentage tax return (BIR Form No. 2551Q) and option to replace the COR to reflect "PT", unless qualified and opted to avail of the 8% Income tax rate annually.

I hereby certify that the above named person is registered as indicated above, under the provision of the National Internal Revenue Code, as amended.

Bureau of Internal Revenue

**STATEMENT OF MANAGEMENT'S RESPONSIBILITY
FOR INCOME TAX RETURN**

The management of **BRRP CONSTRUCTION SERVICES** responsible for all information and representations contained in the Annual Income Tax Return for the years ended December 31, 2024 and 2023. Management is likewise responsible for all information and representations contained in the financial statements accompanying the (Annual Income Tax Return or Annual Information Return) covering the same period. Furthermore, the Management is responsible for all information and representations contained in all the other tax return filed for the reporting period, including, but not limited, to the value added tax and/or percentage tax returns, withholding tax returns, documentary stamp tax returns, and any and all other tax returns.

In this regard, management affirms that the attached audited financial statements for the years ended December 31, 2024 and 2023, and the accompanying Annual Income Tax Return are in accordance with the books and records of **BRRP CONSTRUCTION SERVICES** complete and correct in all material respects. Management likewise affirms that:

- (a) The Annual Income Tax Return has been prepared in accordance with provision of the National Internal Revenue Code, as amended, and pertinent tax regulations and other issuances of the Department of Finance and the Bureau of Internal Revenue;
- (b) Any disparity of figures in the submitted reports arising from the preparation of financial statements pursuant to financial accounting standards and the preparation of the Income Tax Return pursuant to tax accounting rules has been reported as reconciling items and maintained in the company's books and records in accordance with the requirements of Revenue Regulations No 8-2007 and other relevant issuances;
- (c) The management has filed all applicable tax return, reports and statements required to be filed under Philippine tax laws for the reporting period, and all taxes and other impositions shown thereon to be due and payable have been paid for the reporting period, except those contested in good faith.

INDEPENDENT AUDITOR'S REPORT

BEN REY S. PROBADORA

Proprietor (BRRP CONSTRUCTION SERVICES)

Lot 1 & 2 Blk. 16 Rosal St., Santana
Village, San Isidro Antipolo Rizal

Report on the Financial Statements

Opinion

I have audited the accompanying financial statements of **BEN REY S. PROBADORA**, which comprise the balance sheet as at December 31, 2024 and 2023, and the statements of income, statements of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2024 and 2023, and its financial performance and its cash flows for the year then ended in accordance with Philippine Financial Reporting Standards (PFRS) for Small and Medium-sized Entities.

Basis for Opinion

I conducted my audits in accordance with Philippine Standards on Auditing (PSA). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. I am independent of the Company in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to my audits of the financial statements in the Philippines, and I have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion

Taxpayer's Responsibility for the Financial Statements

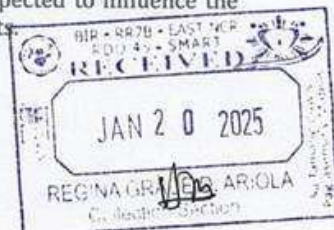

Taxpayer is responsible for the preparation and fair presentation of these financial statements in accordance with Philippine Financial Reporting Standards for Small and Medium-sized Entities, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Taxpayer is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Taxpayer is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the taxpayer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the Supplementary Information Required Under Revenue Regulation 19-2011 and 15-2010

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on taxes, duties and license fees in note to the financial statements is presented for purposes of filing with the Bureau of Internal revenue and is not a required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information is fairly stated in all material respects, in relation to the basic financial statement taken as a whole.

BRRP CONSTRUCTION SERVICES

Notes to Financial Statements

For the period Ending December 31, 2024

Note 1 Company Information

BRRP CONSTRUCTION SERVICES was registered/incorporated under the existing laws of the Republic of the Philippines and registered with the Bureau of Internal Revenue (BIR) on July 20, 1989 with Tin Number 430-748-289-000

To engage in, building of construction or parts, civil engineering

The company's registered offices address and principal place of the business is located at Block 16 Lot 1-2 Rosal St Santana Village Barangay San Luis Antipolo City.

Note 2 Status of Operation

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and settlement of liabilities in the normal course of business.

Note 3 Basis of Preparation of Financial Statements

Basis of Preparation

The financial statements of the company have been prepared on the historical cost basis and are presented in Philippine peso (Php), which is the company's functional and presentation currency

Statement of Compliance

The financial statements of the company have been prepared in compliance with Philippine Financial Reporting Standards (PFRS) for Small Entities (SEs)

Note 4 Summary of Significant Accounting Policies

The principal accounting policies applied in the preparation of the financial statement are the following, which have been applied consistently to all the years presented, unless stated otherwise.

4.1 Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and in banks. Cash equivalents are short-term, highly liquid investments that are readily convertible to know amounts of cash with original maturities of three months or less from the date of replacement and that are subject to an insignificant risk of change in value. Bank overdrafts if any, are shown within barrowing in current liabilities on the statement of financial position.

4.4 Other Current Assets

Other current assets are carried at face value , and prepaid expenses.

4.5 Property and Equipment

Property and equipment are stated at cost, excluding the costs of day-to-day servicing, less accumulated depreciation and amortization and any impairment in value. The initial cost of property and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditures incurred after the property and equipment have been put into operations in the period the costs are incurred. In situations where it can be clearly demonstrate that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as additional cost of property and equipment. Cost also includes any asset retirement obligation and interest on borrowed funds used. When assets are sold or retired, their costs and accumulated depreciation, amortization and impairment losses, if any, are eliminated from the accounts and any gain resulting from their disposal included in the statement of operations of such period. Depreciation and amortization are calculated on straight-line basis over the useful lives of the assets. The useful life of each of the property and equipment based on the period over each the asset is expected to be available for use. Such estimation is based on a collective assessment of industry practice and experience with similar assets. The estimated useful lives range as follows.

| | |
|-----------------------------------|-------------|
| Buildings | 25-40 years |
| Machinery | 10-15 years |
| Vehicles | 3-5 years |
| Furniture, fittings and equipment | 3-8 years |

The asset's residual values, useful lives and depreciation upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in the statement of operations in the year the item is derecognized.

4.6 Investment Property

Investment property is carried at fair value, derived from the current market prices for comparable real estate determined annually by the external valuers. The valuers use observable market prices, adjusted if necessary for any difference in the nature, location and condition of the specific asset. Changes in fair value are recognized in profit or loss.

4.7 Financial Liabilities

Financial liabilities include trade and other payables and non-interest-bearing borrowing. Financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument.

4.2 Financial assets

Recognition

All financial assets are initially recognized at fair value. For all financial instruments not listed in an active market, the fair value determined by using appropriate valuation techniques. Valuation techniques include net present value techniques, comparison to similar instruments for which market observable price exist, options pricing models, and other relevant valuation models.

Impairment of Financial Assets

The company assesses at each balance sheet date whether there is objective evidence that a financial asset or group of Financial assets is impaired. A financial assets or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred "loss event") and that loss event (or event) has an impact on the estimated future cash flow of the financial asset or the group of financial assets that can be reliably estimated.

Derecognition of financial Assets

A financial asset (or, where applicable a part of financial asset or part of a group of similar financial Assets is Derecognized when:

- The rights to receive cash flows from the asset have expired;
- The company retains the right to receive cash flows from asset, but has assumed an obligation to Pay them in full without material delay to a third party under a pass through arrangement; or
- The company has transferred its rights to receive cash flows from asset and either (a) has Transferred substantially all risks and rewards of the asset, or (b) has neither transferred nor retain substantially all the risks and rewards of the asset, but has transferred control of the asset.

Trade and Other Receivables

Trade receivables, which are based on normal credit terms and do not bear interests, are recognized And carried at original Invoice amounts. Where credit is extended beyond normal credit terms, Receivables are measured at amortized cost using the effective interests method. At the end of each reporting the carry amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are nor recoverable. If so, an important loss is recognized immediately in profit and loss.

Trade receivables are recognized initially at transaction price. There are subsequently measured at amortized cost using the effective method, less provision for impairment.

4.3 Materials

Inventories are state at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method. The cost of finished goods and work in progress comprises packaging costs, raw materials, direct labor, other direct costs and related production overheads (based on normal operation capacity). At each reporting date, inventories are assessed for impairment. If the inventory is impaired, the carrying amount of reduced to its selling price less costs to complete and sell, the impairment loss is recognized immediately in profit or loss.

Barrowing and Barrowing Costs

Barrowing are recognized initially at the transaction price (the is, the present value of cash payable to the bank, including transaction costs). Barrowing are subsequently state at amortized cost. Interest expense is recognized on the basis of the effective interest method and is included in finance costs. Barrowing are classified as current liabilities unless the group has an unconditional right to defer settlement of liability for at least 12 months after the reporting date. All borrowing costs are expense As incurred.

Trade and Other Payables

Trade and other payables are liabilities to pay for goods or services that have been received or supplied and have been invoiced or formally agreed with the supplier. Trade payables are not interest bearing and are stated at their nominal value. Trade and other payables are measured initially at their nominal values and subsequently recognized at amortized costs less settlement payments. Other current liabilities represent statutory liabilities and are measured initially at their nominal values and subsequently recognized at amortized costs less settlement payments. Obligations to the government are remitted on the following month after being withheld from various income receipt.

Derecognition of Financial Liabilities

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expired. Where an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability, and the difference in the respective carrying amounts is recognized in the statement of income.

4.8 Provisions

Provisions for restructuring costs and legal claims are recognized when; the group has a present legal Or constructive obligation as a result of past events: it is probable that a transfer of economic benefits will be required to settle the obligation; and the amount can be reliably estimate. Restructuring provisions comprise lease termination penalties and employee termination payments. Provisions are not recognized for future operating losses. Provisions are measured at the present value of the amount expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provisions due to passage of time is recognized as interest expense.

4.9 Equity/Share Capital

Ordinary shares are classified as equity. Equity instruments are measured at the cash or other resources received or Receivable, net of direct costs of issuing the equity instruments. If payment if deferred and that time value of money is material, the initial measurement is on a present value basis.

4.10 Revenue Recognition

Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the amount of revenue can be reliably measured. However, when an uncertainty arises about the collectability of the amount already included in the revenue, the uncollectible amount or the amount in respect of which recovery has ceased to be probable is recognized as an expense rather an adjustment of the amount of revenue originally recognized. The following specific criteria must also be met before revenue l recognized. Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods or services provided in the normal course of business. Interest income, is any, is recognized as it accrues on a time proportion basis taking

into account the principal amount outstanding and the effective interest rate, net of applicable final taxes.

4.11 Provision for income taxes

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax law used to compute the amount are those that are enacted or substantively enacted by the balance sheet date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Contingent liabilities are not recognized in the financial statements. They are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is not recognized in the financial statements but disclosed when an inflow of economic benefits is probable.

4.11 Events after the End of the Reporting Period

Post-year-end events up to the date of the auditor's report that provide additional information about the Company's position at the balance sheet data (adjusting events) are reflected in the financial statements. Post-year-end events that are not adjusting events are disclosed in the notes to financial statements when material.

Note 5 Management's Significant Accounting Judgements and Estimates

5.1 Judgements

The preparation of the Company's financial statements in conformity with Financial Reporting Framework (in reference in generally Accepted Accounting Principles of the Philippines) requires management to make estimates and assumptions that affect the amounts reported in the Company's financial statements are based upon management's evaluation of relevant facts and circumstances as of the date Company's financial statements. Actual result could differ from such estimates, judgements and estimates are actually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

5.2 Estimates

In the application of the company's accounting policies, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimate and assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The following represents a summary of the significant estimates and judgements and related impact and associated risk in the company's financial statements.

Note 8 -Receivable

Trade and other receivables are measured initially at fair value. An allowance for impairment of trade receivable is established when there is objective that the company will not be able to collect the amounts in whole or in part. No allowance for doubtful been provided. Bad debts are written off when identified. This consist of:

| | 2023 | 2024 |
|---------------------------|------|--------------|
| Accounts Receivable – Net | 0 | 4,323,401.37 |

Note 9 -Other current assets

There is no other current assets at the end of the period ending December 31, 2024

Note 10 – Property, plant and equipment (PPE)

The movements of this account during the year(s) ended December 31, 2024 are as follows:

| | Fixed Assets | | Building | | Total | |
|---------------------------------|--------------|--------------|---------------|---------------|---------------|---------------|
| Cost | | | | | | |

No amount of PPE has been pledged nor made as a collateral for financial liability.

Details of the Fixed Assets:

| | |
|----------------|---------------|
| Tricycle - | P 150,000.00 |
| VAN - | 2,200,000.00 |
| HI-LUX - | 1,600,000.00 |
| FORTUNER- | 1,800,000.00 |
| 3 STOREY BLDG- | 30,000,000.00 |

Note 11 – Trade and other payables

There is no Trade and Other Payable for the period ending December 31, 2024

5.3 Allowance for Doubtful Accounts

The Company assesses whether objective evidence of impairment exist for receivables and due from related parties that are individually significant. It is, however, the policy of the company to make up bad debts losses when customer accounts proved to be uncollectible rather than to provide an allowance for doubtful accounts based on estimates.

5.4 Estimate Useful Lives of Property, and Equipment

The company estimates the useful lives of property, and equipment based on the period over which the property and equipment are expected to be available to use. The estimate useful lives of the property and equipment are reviewed periodically and are updated if expectations differ from previous estimate due to physical wear and tear, technical or wear and tear, technical or commercial obsolescence and legal or other limits on the use of the property, and equipment. In addition, the estimation of the useful lives of property, and equipment is based on the collective assessment of industry Practice, internal technical evaluation and experience with similar assets, it is possible; however, that future financial performance could be materially affected by changes in the estimates brought about by changes in factors mentioned above. The amounts and timing of recorded expenses for any period would be affected by changes in these factors and circumstances.

5.5 Revenue recognition

The company revenue recognition policies require the use of estimates and assumptions that may affect the reported amounts of revenues and, receivables. Differences between the amounts initially recognized and actual settlements are taken upon the accounts upon reconciliation. However, there is no assurance that such use of estimates may not result to material adjustments in future periods.

Note 6 -Cash on hand and in bank

The account for the period December 31, 2024 consists of:

| | <u>2023</u> | <u>2024</u> |
|---------------------|-----------------------|-----------------------|
| Cash in bank – BDO | 10,750,094.14 | 10,137,931.52 |
| Cash in Bank –BDO | 1,000,998.94 | 1,327,775.50 |
| Cash in Bank –BPI | 230,055,000.00 | 200,055,000.00 |
| Cash in Bank – RCBC | | 4,109,762.23 |
| Cash in Bank – LBP | | 2,214,058.42 |
| Total | <u>241,806,093.08</u> | <u>217,844,527.67</u> |

Cash in bank earns interest at respective bank deposit rate and not restricted for withdrawal.

Note 7 -Materials

Materials was purchased by its fair market value and this consist of:

| | <u>2023</u> | <u>2024</u> |
|--------------------|-------------|---------------|
| Materials – Unused | 0 | 11,544,186.77 |

Note 15 – Income Tax

The details of the account for period ending December 31, 2024 are as follows;

| | <u>2023</u> | <u>2024</u> |
|------------------------------|-------------------|-----------------------|
| A. REGULAR INCOME TAX | | |
| Sales/Revenue, net | 0 | <u>12,630,461.73</u> |
| Direct costs | 0 | <u>9,472,846.30</u> |
| Gross income | 0 | <u>3,157,615.43</u> |
| Expenses | <u>158,715.65</u> | <u>11,251,592.70</u> |
| Other operating expense | 0 | |

| Normal income tax | 0 | <u>0</u> |

BREAKDOWN OF TAXES AND LICENSES

| | | |
|------------------|----------|-----------|
| Brgy Clearance | 1,500.00 | 2,500.00 |
| Fire Certificate | 650.00 | 1,500.00 |
| CTC | 928.00 | 1,050.00 |
| Mayor's Permit | 8,208.20 | 97,265.15 |

Note 12 – Revenue

Revenues

The company recognizes revenue when the amount of revenues can be measured reliably and that future economic benefits will flow to the company. The amount of revenue is not considered to be reliably measured until all contingencies relating to the sale have been resolved. Revenues are measured on a historical cost convention with consideration to the type of client/customers, type of transaction and specifics of each arrangement or contracts.

Interest Income is recognized on a time-proportion basis using the effective interest method. When a receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flows discounted at original effective interest rate of the instrument, and continues unwinding the discount as interest income. Interest Income on impaired loans is recognized using the original effective interest rate.

Gains or loss on disposal of property and equipment are determined by comparing proceeds with the carrying value and are recognized within the other income in the income statement. Other income is recognized when earned or realized.

Note 13 – Cost of sales

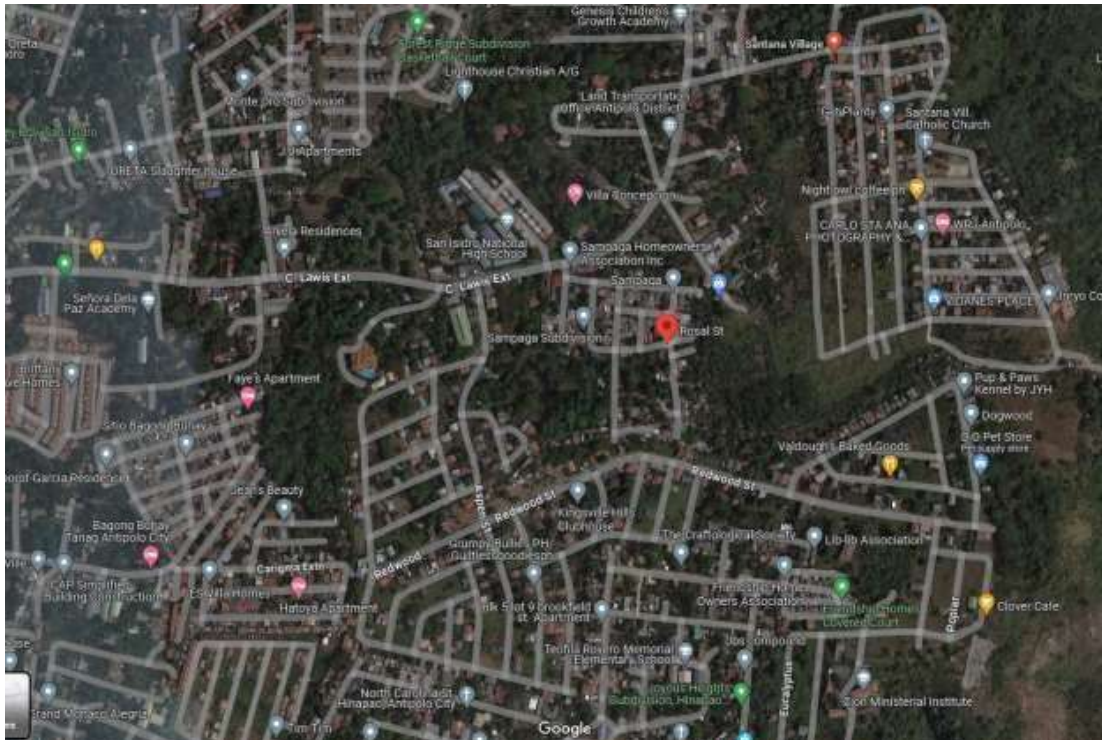

Direct costs are and expenses directly identifiable with the revenue
This consist of:

| | 2023 | 2024 |
|-------------------|------|--------------|
| Cost of Materials | 0 | 9,472,846.30 |

Note 14 – Expenses

This consist as of December 31, 2024

| | 2023 | 2024 |
|-----------------------------|-------------------|----------------------|
| Salaries & Wages | 0 | 3,904,958.06 |
| Maintenance | 0 | 1,309,759.21 |
| Taxes & Licenses | 11,286.20 | 102,315.15 |
| Light & Water/Communication | 23,886.01 | 1,672,622.03 |

OBJECTIVE

A Civil/Structural Engineer/Designer position in a forward-looking company that provides opportunities for challenges and career advancement.

EXPERIENCE SUMMARY

Over 38 years as a designer/draftsman, supervisor/inspector and project/office engineer in civil/structural engineering applications using AutoCAD and Microstation.

PROFESSIONAL PROFILE

DESIGNER/DRAFTSMAN

Developed and prepared engineering designs and drawings from preliminary concepts, sketches, engineering calculations, specification sheets & other data
Prepared and checked shop drawings and bar's lists submitted by fabricators
Checked and verified design drawings to conform to specifications and design data
Prepared plans, elevations and sections of different structures; structural details and location layouts of industrial and commercial buildings, instruments and equipments
Prepared mechanical and electrical/instrumentation drawings
Utilized 3D Multi-Steel and Frameworks, 3D PDS equipment and raceway modelling
Prepared engineering designs and drawings of foundations and structures for an \$8 million alumina plant expansion in Brockville, Ontario for Alcan Chemicals and \$ 1 million warehouse extension.
Worked for 4 years on a \$4 billion Hibernia Project, consider the biggest offshore platform in Canada as a Senior CADD Operator for Instrumentation/Electrical Department and also Structural/Architectural Department using 3D PDS.
Worked for a year on a Onyx's Dry & Wet Plant Project in Perth, Ontario and Paper Machine Project in Grand-Mere, Quebec.
Prepared layouts of concrete & structural drawings of Qinshan Candu Project in China as a Civil Designer /Draftsman specializing in rebar detailing of nuclear plant.

SUPERVISOR/INSPECTOR

Surveyed and inspected all civil works undertaken by subcontractors
Inspected such operations as grubbing, clearing, fencing, sodding, earth and rock excavation and installation of sewer drainage pipes
Checked on fill and material used and carried out simple tests
Compiled a work progress diary
Took quality control tests on concrete (slump test, air test and concrete cylinders)
Ensured that all work conformed to the plans and specifications
Checked that finished grade conformed to grade set and placing of reinforcing steel
Inspected formworks for debris, corrected dimensions and ensured adequate falsework
Ensured that placing and compacting equipment for asphalt was working efficiently

CERTIFICATE OF ACCREDITATION

This is to certify that

PROBADORA, BEN REY S.

TRADENAME : BRRP CONSTRUCTION SERVICES

has satisfactorily passed and completed the accreditation requirements set forth by Aboitiz Land, Inc. and as an accredited vendors/Other specialized construction activities.

Issued this 17th of June 2025.

This certification unless cancelled, suspended or revoked, shall continue to be in effect until the 17th of June 2026.

Company Trade Name: BRRP Construction Services

Authorized Representative: Ben Rey S. Probadora

Designation: Proprietor

Registered Company Address: Lot 1 & 2 Blk 16 Rosal St. Santana Village San Isidro (Pob.)
City of Antipolo Rizal

TIN number: 430-748-289-00000

Certified By:

ERNESTO LAGMAN

 **VP-Project Planning & Operations**

VIA Membership Certificate

This certifies that

BRRP CONSTRUCTION SERVICES

Line of Business: Engaged in providing construction management and general construction services.

has undergone a rigorous and comprehensive supplier-vetting procedure.

This also confirms that the aforementioned company has faithfully adhered to the stringent protocols and criteria set forth by CRIF.

This certificate is valid from April 14, 2025 until April 14, 2026.

This is a computer-generated document. signature is required.

EQUIPMENTS LIST

LIST OF EQUIPMENTS

| EQUIPMENT | DESCRIPTION | CAPACITY |
|--|--|-----------|
| CONCRETE BATCHING PLANT | A concrete plant, also known as a batching plant, is an equipment that combines various ingredients to form concrete. Some of these inputs include water, air, admixtures, sand, aggregate (rocks, gravel, etc.), fly ash, silica fume, slag, and cement. | 400 cu. m |
| FORKLIFT TRUCK | A forklift truck (also called a lift truck, a fork truck, or a forklift truck) is a powered industrial truck used to lift and move materials in short distances. | A30 |
| BULLDOZER | A bulldozer is a crawler (continuous tracked tractor) equipped with a substantial metal plate (known as a blade) used to push large quantities of soil, sand, rubble, or other such materials during construction or conversion work, and is typically equipped at the rear with a claw-like device (known as a ripper) to loosen densely compacted materials. | 5B15 |
| BOOM TRUCK | The BOOM TRUCK is a Carrier Truck with a Telescopic Boom over his frame: Boom Lift (Man lift) or Small Telescopic Crane. The main function of a Boom Truck is to move where his telescopic unit (Crane or Man lift) will be used: building, posts, electric cables, etc. | 2 TONS |
| WALK BEHIND ROLLER COMPACTOR | A road roller (sometimes called a roller-compactor or just roller) is a compactor type engineering vehicle used to compact soil, gravel, concrete, or asphalt in the construction of roads and foundations. Similar rollers are used also at landfills or in agriculture. | 1 TON |
| CONCRETE BRICK MACHINE | A machine responsible in making and molding bricks and blocks | |
| GENERATOR | A device that converts mechanical energy to electrical energy | 500 KVA |
| CTB BATCHING PLANT (Cement Treated Base) | CTB Batching Plant is a machine used in mixing aggregate materials, granular soils and combine with a prescribed amount of cement and water that hardens after compaction and curing to form a durable paving material. | |
